THE MARILYN L. PILKINGTON AWARD

Professor Marilyn L. Pilkington, Dean of Osgoode Hall Law School from 1993-1998, and founder of Osgoode Professional Development, has endowed an award to assist a graduate of Osgoode Hall Law School to pursue studies in the Part-time LLM program. The award will be given annually to a Canadian citizen/permanent resident, resident in Ontario, on the basis of academic achievement and financial need.

OSGOODE PROFESSIONAL DEVELOPMENT BURSARIES

Students must successfully complete one term before applying for an OPD bursary. Osgoode's financial support is primarily for full-time students. The amount available for bursaries for part-time students is very limited. Students who receive bursaries in one term will not necessarily receive bursaries in subsequent terms. Bursaries are awarded on the basis of financial need.

*** All fields on this application package must be completed unless otherwise indicated.**

I wish to apply for (check all that apply):

- The 2010/2011 Marilyn Pilkington Award
- A Fall 2010 OPD Bursary
