The degree requirements will be satisfied upon the completion of 36 credits. There are two options for completing this degree:

Option I [36 credits]

- The **required courses** for Administrative Law [12 credits];
- 18 additional credits of coursework, at least 12 of which must be courses from the Administrative Law-related electives*
- A Major Research Paper (70 pages) in the Administrative Law field [6 credits]
- Advanced Legal Research Workshop**

Option II [36 credits]

- The **required courses** for Administrative Law [12 credits];
- 24 additional credits of coursework, at least 18 of which must be courses from the Administrative Law-related electives*
- A Significant Research Paper (30 pages) as a means of evaluation for one of the Administrative Law required courses or -related electives**

* Please consult the [Administrative Law LLM schedule](#) for required courses and Administrative Law-related electives currently scheduled. Students are advised to consult the [term schedules](#) for additional course offerings outside of the Administrative Law required courses and -related electives (up to six credits of these course offerings can be taken during students' period of enrollment).

** The Advanced Legal Research Workshop is required for all students who wish to complete a Major Research Paper and does not count towards the 36 credits required to complete the degree. The Advanced Legal Research Workshop is not required for students writing a Significant Research Paper but is strongly recommended in order for students to review writing and research skills. In general, the Advanced Legal Research Workshop is offered every term. Please consult the [term schedule](#) for dates. For further information on the Major Research Paper and Significant Research Paper, please consult the [Professional LLM Student Handbook](#).

The **required courses** for Administrative Law are:

- Administrative Law: Overview and Current Developments [6 credits]
- Some Theoretical Perspectives on Public Law and Administration [3 credits]
- Administrative Law Remedies [3 credits]

Students are responsible for completing 36 credits by taking the required courses and choosing from the elective course offerings, subject to the degree requirements above. Course descriptions are available on the [Administrative Law LLM webpage](#). For further information about the Professional LLM, please consult the [Professional LLM Student Handbook](#).
