Certificate in Education Law

Complete 5 days of programming within 2 years to earn the NEW Osgoode Certificate in Education Law.

Endorsed by

Programs at a Glance

Human Resources Law for Education Professionals*

(Webcast)

Human resource challenges in the education sector are increasingly complex. An interactive case study will engage you in the issues, while providing strategies and best practices you can add to your HR toolkit!

Mental Health Law for Children & Youth

(Webcast)

This annual event brings together legal, healthcare, mental health and education professionals to provide a comprehensive update on the essential, current and emerging issues surround mental health law for children and youth.

Advanced Issues Special Education Law*

(In Person and Webcast)

This annual program provides guidance to educators on the complex legal issues surrounding special education law and how best to navigate them.

Education Law for Private and Independent Schools

(In Person and Webcast)

Private and independent schools face a myriad of issues unique to them.

The goal of this program will be to provide an overview of applicable laws, strategies and best practices for handling them.

Critical and Emerging Issues in School Law for K-12 Education Professionals*

(In Person and Webcast)

Using case studies and real-life examples, you will gain in-depth understanding of the top legal issues facing educators today, along with practical strategies for handling them.

**These programs are mandatory for those seeking to obtain the Osgoode Certificate in Education Law*

Cannabis in Schools – An Educator’s Guide to the Law and Best Practices

(Web - On Demand)

Medical and recreational cannabis and its use by staff and students poses very unique challenges. Join us for a comprehensive program on your legal obligations and best practices you may immediately put to use.

School Excursions: An Educator’s Guide to the Legal Risks and Best Practices

(Web - On Demand)

What are the legal responsibilities school boards have towards their students? What standard of care is owed? Is your school board policy enough? All of these questions and more are addressed in this very timely webinar put on by legal and insurance experts.

Student Investigations: The Legal and Practical Guide

(Web - On Demand)

Before you can initiate an investigation, you need to understand what guides your actions. Don’t miss this session and gain the practical knowledge and best practices you can put to work the next time you conduct an investigation

The Educators Guide to Family Law Issues

(Web - On Demand)

Pressing family law issues are being dealt with daily by educators. Knowing your legal obligations and how to handle these complex issues is critical.

Recommended for:

Those working in education or advising education clients and seeking to gain a comprehensive grounding in all aspects of education law, including:

- School Administrators (Principals, VPs)
- Teachers
- Superintendents of Education
- Supervisory Officers
- School Trustees
- Special Education Consultants
- Directors of Education
- School Board Staff
- Teachers
- Office of the Ombudsman
- Education Law Practitioners

Complete 5 days of programming within 2 years to earn the Osgoode Certificate in Education Law.

The education system continues to evolve and more demands are being placed on you, as an Education Professional. It is increasingly important that you stay on top of the latest legal issues, ensure you understand the law that guides your actions and have a good understanding of risk management and best practices strategies.

OsgoodePD's Education Law programs were developed exclusively for you, in consultation with legal and industry experts. Choose to register for 1, 2 or multiple programs.

For those that wish to take a deeper-dive, if you complete 5 days of programming within 2 years, you will be eligible to obtain the **Osgoode Certificate in Education Law**. Program Requirements:

A) Mandatory Courses

- Advanced Issues in Special Education Law
- Critical and Emerging Issues in School Law for K-12 Education Professionals (2 days)
- Human Resources Law for Education Professionals

B) Elective Courses (choose 1 of):

- Education Law for Private and Independent Schools
- Mental Health Law for Children & Youth
- Cannabis in Schools: An Educator's Guide to the Law and Best Practices (Web - On Demand)

B) Online Webinars (must view all):

- School Excursions: An Educator's Guide to The Legal Risks and Best Practices (Web - On Demand)
- Student Investigations: The Legal and Practical Guide (Web - On Demand)
- The Educators Guide to Family Law Issues (Web - On Demand)

Designed to provide a **curriculum-based** learning platform, this Certificate will provide education professionals and their advisors with the opportunity to:

- Enhance their skills across **core competencies** in the critical areas of education law
- Deepen their knowledge of the **legal standards** that guide their actions
- Learn about and reflect upon **best practices** and evolving approaches in a range of current and challenging areas faced by educators
- Practice learned skills and get feedback from instructors – acknowledged experts in the field
- Get a deeper understanding of your role in the larger education law system and the impact your actions have

Each program module includes an emphasis on skills-based learning, with in-class lectures being supplemented by case studies and peer interaction, group work, designated Q&A sessions, role plays simulations and much more.

Upon completion of course requirements, all Certificate graduates will obtain complimentary access to one of the Education Law online webinars of their choice.

What past participants have said about our Education Law programs:

An excellent, relevant day...proactive strategies focusing on what is best for students while avoiding legal pitfalls...

Susan Wilson, Principal of Special Education Near North District School Board

The opportunity to engage with current education law and related issues was truly valuable. The focus on current issues such as cyberbullying made this relevant and important.

Patricia Thompson, Thames Valley District School Board

Great speakers. Loved the balance of law, education, social work, medical perspectives. A lot of learning today.

Lisa Weekes, York Region District School Board
